

KENWOOD
VINEYARDS

2013 Lone Pine Vineyard Cabernet Sauvignon

Each vintage, our winemaker selects the very best vineyards in Sonoma for our small production Single Vineyard series. Only vineyards with consistent superior quality for each particular varietal will be chosen to ensure that the best fruit is used in each of our wines.

TASTING NOTES

Fruity aromas of black current and plum join with aromatic notes of vanilla cocoa nibs and mint. Rich, full-bodied flavor with excellent balance and well-structured tannins give way to a long finish.

KENWOOD ESTATE VINEYARD

The Lone Pine Vineyard is an Estate ranch that we have been growing Cabernet Sauvignon on since 1995. It is located in the southern Sonoma Valley at the southeastern base of Sonoma Mountain. Its distinctive sandy-loam soil produces excellent big-bodied Cabernet Sauvignons with wonderful intensity of fruit. It is named for the large pine tree that grows in the middle of the vineyard; a remnant of the original 1912 farmhouse that was located there.

WINEMAKING

Harvested on October 2nd, the fruit was picked by hand and brought to the winery for crushing and destemming before fermenting on the skins for two and a half weeks. The young wine was then pressed into stainless steel tanks for two months of settling before being placed in small French oak barrels. After 26 months of aging, the best-tasting barrels were separated from the lot and assembled to be bottled as our Single Vineyard Lone Pine Estate Cabernet Sauvignon.

FOOD PAIRINGS

This intense Cabernet Sauvignon is an excellent match for dishes with rich flavor and is a particularly good accompaniment with Beef Tenderloin with Blackberry Dressing, Pan-Roasted Veal Chops, or Spaghetti Alla Carbonara.

Composition

100% Cabernet Sauvignon

Appellation

Sonoma Valley

Acidity/pH

6.1 / 3.50

Alcohol

14.5%

Production
