

2014

## LONE PINE VINEYARD CABERNET SAUVIGNON

Each vintage, our winemaker selects the very best vineyards in Sonoma for our small production Single Vineyard series. Only vineyards with consistent superior quality for each particular varietal will be chosen to ensure that the best fruit is used in each of our wines.

### TASTING NOTES

Aromas of fresh cut mint, dark cherry and Santa Rosa plums join with subtle notes of black olive. This wine is full-bodied with great depth of flavor, complexity and aging potential.

### FROM THE WINEMAKER

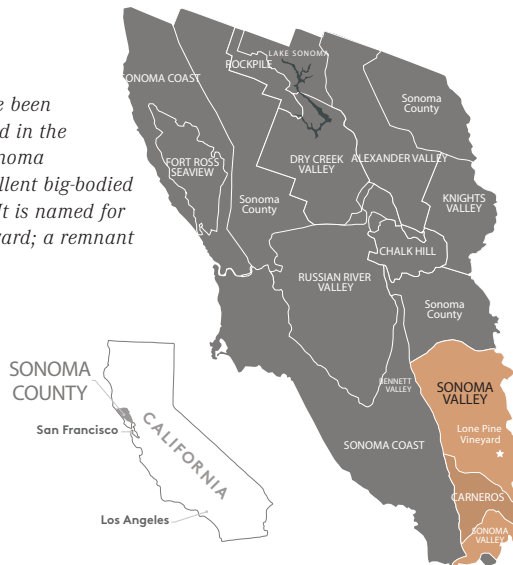

The grapes for our Lone Pine Cabernet Sauvignon were harvested on September 26th and brought to the winery for gentle crushing and destemming before fermenting on the skins for 21 days. The wine aged for 24 months in small French and American oak barrels before we selected the best barrels for this small production Lone Pine Estate Vineyard designate.

### THE VINEYARD LONE PINE VINEYARD

Sonoma Valley AVA - Sonoma County

The Lone Pine Vineyard is an Estate ranch that we have been growing Cabernet Sauvignon on since 1995. It is located in the southern Sonoma Valley at the southeastern base of Sonoma Mountain. Its distinctive sandy-loam soil produces excellent big-bodied Cabernet Sauvignons with wonderful intensity of fruit. It is named for the large pine tree that grows in the middle of the vineyard; a remnant of the original 1912 farmhouse that was located there.
